

Re: Wildfeather HOA Bio Applicant

Hello neighbors!

My name is Kele Somerville, and I've lived in Wildfeather since 2020 with my husband and our two children. My husband and I have both been coming out here since we were young. This community has always been special to us, and we're grateful to call it home!

A bit about me- I am a registered nurse at a local hospital and am currently pursuing my master's degree. My professional background has strengthened my communication, organization, and problem-solving skills, which I believe would be valuable on our HOA board.

I'm active on the social committee, helping organize events like our annual Easter egg hunt and summer tie-dye events. I enjoy being able to help bring our neighbors together. Living on the water in a small, close-knit community like ours is something truly special.

While I have not served on an HOA board previously, I hope to bring a fresh and balanced perspective. I believe in improving communication between the board and residents while continuing to protect and grow our neighborhood.

Thank you for reading my bio!

Sincerely,

Kele
